Citi Alumni Network Continues to Foster Strong Collaboration and Synergy to Create an Impact to the Industry and Community in Indonesia

Jakarta, December 15, 2022 – With the aim to strengthen ties with its alumni, Citi Indonesia hosted Citi Alumni Network event with the theme “10 Years of Reconnecting”. This year is a milestone for the Citi Alumni Network, which has been emerging for ten years globally. More than 150 Citi alumni who have worked in the banking, government, private, and public sectors attended the event held at Mulia Hotel on Friday, December 9, 2022.

In his remarks, **Citi Indonesia CEO Batara Sianturi** expressed pride in Citi's contribution to the country by producing great talents that can carve out achievements for Indonesia. “Citi is not just a bank. It is an institution and the benchmark of banking industry. Our alumni have served the country in banking, private, public, government, and the community sector.” Batara also added, “Citi Alumni are also beginning to occupy the start-up and fintech industry. Some of them have become the influential voice and leaders in the digital economy.”

In each event, Citi presented the Distinguished Alumni Award which is bestowed upon Citi Alumni who have exhibited accomplishments or deemed capable of making a significant contribution to the industry or the community, either during the year preceding the award or after leaving Citi. This year, **Jusuf Arbiyanto, Co-Founder Habitat for Humanity Indonesia**, received the Citi Distinguished Alumni Awards 2022 for the Community Investing & Development category.

At Citi, his last position was Division Head of Real Estate & Construction Lending. It was from his experience at Citi that drove him to establish the Habitat for Humanity representative office in Indonesia in 1997 along with six other friends.

“I am truly grateful to God Almighty for this award and for allowing me to work for a global institution like Citi and contribute to the establishment of Habitat for Humanity Indonesia, which provides housing for families in need so that they can live more properly,” said Jusuf in his acceptance speech for the award.

Launched in 2012, the Citi Alumni Network is an official global initiative. Since then, the Citi Alumni Network has significantly grown and now boasts a strong network of more than 30,000 Citi Alumni Network members worldwide. In Indonesia, a gathering has been held annually since 2016 for Citi Alumni and the existing Citibankers can reconnect. Citi Alumni Network provides opportunities for alumni to stay in touch with Citi and fellow alumni. This relationship shares new opportunities to contribute as well as benefit from the legacy that has been built together.
