Citi Appoints Edwin Pribadi as Head of Citi Commercial Bank (CCB) for Indonesia

Jakarta, May 20, 2024 – Citibank, N.A., Indonesia (Citi Indonesia) announced the appointment of Edwin Pribadi as Head of Citi Commercial Bank (CCB) for Indonesia, effective May 7, 2024.

Edwin will oversee all Citi's CCB business and operations in Indonesia and is responsible for driving business' strategy and financial performance, including deepening client relationships.

Edwin holds a Bachelor of Science in Accounting from the University of Oregon. He brings over 20 years of experience in banking across different roles.

This is a return to Citi for Edwin as he started his career with the bank as a Regional Management Associate in 2003, followed by a pivotal assignment to Citigroup's APAC Operations & Technology Leadership Development Program in Shanghai in 2006. Over the years, he has held various leadership positions within Citi, including roles as a Trade and Tax Operation Unit Head, and a Commercial Banking Relationship Manager Team Leader.

In 2013, he moved to OCBC Indonesia, where he served as a Business Banking Credit Program & Portfolio Management Head, and later as the Enterprise Banking Business Head.

CCB is a key part in Citi's engine for growth. It delivers a range of competitive products; including cash and liquidity management, foreign exchange, trade finance, capital markets, and lending solutions among others, to mid-sized corporates that are either global or looking at building an international footprint.

"Indonesia remains an important market to Citi given its prominence within Southeast Asia and its strategic ties with other countries in the region. We're witnessing the emergence of numerous mid-sized companies in Indonesia, having the vision to expand their presence regionally and even globally. With Edwin's expertise and track record, he is well placed to support our CCB clients' ambitions, while taking our Indonesia business to greater heights," said Gunjan Kalra, Head of Citi Commercial Bank for Asia North, Australia & Asia South clusters.

"We are delighted to announce Edwin's return to Citi Indonesia to lead the CCB team in this dynamic market. Leveraging Edwin's experience, we are confident he will empower CCB clients in Indonesia to pursue their growth ambitions on a global scale – and thereby aligns with Citi's mission to support the Indonesian business landscape," said Batara Sianturi, CEO of Citi Indonesia.
